

The KC Varsity Combine brings together over 800 athletes in two combines within the Kansas City-metro area.

These combines are attended by athletes, high school coaches, hundreds of college coaches across the nation, and families.

We offer a variety of sponsorship levels. From incredible exposure and brand awareness to athlete sponsorship, our goal for our sponsorship program is to stay up to date with the latest evaluation trends, giving athletes across the country the best opportunity to be seen and show off their talents.
